# ABOUT US

Enterprise Empowerment Network (EEN) is a non-profit company dedicated to fostering enterprise development, entrepreneurship, and corporate training. Our mission is to empower individuals, particularly women, men, and youth aged 18 and above, to realize their full potential and drive economic growth within their communities. By providing comprehensive training programs, mentorship, and resources, we aim to cultivate a new generation of successful entrepreneurs and business leaders in townships and rural areas.

## **Mission**

To provide high-quality training, resources, and mentorship that empower individuals to create, grow, and sustain successful enterprises, thereby contributing to economic development and social progress.

## **Vision**

To be a leading catalyst for economic empowerment and sustainable business development, transforming lives and communities through innovative training and support.
